About Accounting System of the ULB:

The ULB has been using Accounting software namely PURO-HISAB, since the financial year 2006-07 under double Entry Accounting prepared by Change Management Unit, Govt. of West Bengal. The Software has been customised for the preparation of Annual Financial Statement of Urban Local Bodies of West Bengal.

The said Accounting Software ensures the generation of Annual Financial Statement and related other reports to comply the West Bengal Municipal (Finance and Accounting) Rules 1999 as suggested in West Bengal State ULB Accounting Manual as well as National Municipal Accounting Manual. It was also seen during the course of Audit all required Financial Statement as suggested by National Municipal Accounting Manual are being generating correctly with proper forms and formats which are as follows:

- 1) Balance Sheet
- 2) Schedule wise of Balance Sheet
- 3) Income & Expenditure Accounts
- 4) Schedule wise of Income & Expenditure
- 5) Receipts & Payments Accounts
- 6) Cash Book
- 7) Trial Balance

The Accounting system does not generate any registers like Fixed Asset Register (land-Form 90, Immovable Property Register form-118 & Movable Property Register form-119) Investment Register, Stores Register, Advance Register.

During the course of our Audit it is seen that Fixed Asset Registers like land-Form 90, Immovable Property Register form-118 & Movable Property Register form-119 is maintained by ULB manually in MS-Excel file in computer.

Whereas ULB is required to maintain Demand and collection Register, Grants Appropriation Register, Investment Register, Loans & Advance Register, Earnest money & Security Deposit Register.

As per prescription of National Municipal Accounting Manual and as well as State ULB Accounting Manual ULB used to follow Accrual Basis for accounting of financial transactions of revenue income like Property tax, Market rent and Income from Investment. But the revenue incomes like Assigned Revenue, fees and user charges, Sale and Hire charges accounted on Cash Basis. ULB also followed Accounting Standard-12 for accounting the transactions related to Government Grants. All stores are valued on FIFO basis.

C3 Internal Audit:

The Internal Audit report of 2014-15 completed on 19.07.2017

Point-wise Auditor's Observation/ queries and ULB Replies and Auditor's Suggestion

D1: Audit Observation on Cash Management:

Own source Revenue of the ULB:

As explained by the ULB during course of our audit all cash receipts from the various departments like property tax, trade license etc. are collected by cashier and are entered in the accounting software. The entire cash deposited to Bank Account of Municipal fund own source at the end of every day. No amount cash collected from various departments of the ULB is retained in the Municipality. The head-wise revenue income is entered in the accounting software at time receipt of all collections. Contra vouchers are made to Bank Account of Municipal fund own source [INDIAN OVERSEAS BANK CURRENT ACCOUNT NO.237 (4502101) & INDIAN OVERSEAS BANK SAVINGS ACCOUNT 11053(4502104)] after deposit of the amount to the bank and sum total of entire collections from own source income is checked from the daily receipt summery generated from the accounting software by cash section at the end of everyday to ensure correctness between cash collected from own source and deposited to own source bank (total of daily receipt summery = total of contra voucher of deposit daily collection in to bank = total Amount deposited at the end of the day).

Fund Management of Grant Fund Accounts:

Generally own source revenues are not sufficient for running an ULB. The creation of urban Development infrastructure (land, shelter and civic services) would require dispensing a large amount of resources by the Urban Local Governments. With the rising levels of urbanization and growth of urban population, the pressure on development of cities is increasing in India, as elsewhere in the World. Major sources finance comes from Central Government as well as State Government in the form of Government Grant. Like other ULBs in West Bengal Uluberia Municipality also receives grant from Central Government as State Government. Government Funds are sent to Treasury Account L/F account of Uluberia Municipality.

As explained to us during the course our audit for the management of fund related to government grant on receipt of any Government order showing received of fund or on receipt of any cheque from any government agency like SUDA an accounting entry is made crediting respective grant account and debiting respective treasury and bank account by accounts department of the ULB in the shape of Receipt / Journal voucher in the Accounting software.

As explained to us during the course of audit, when expenditure (revenue/ Capital) is made out of grant fund, after necessary approval from BOC the bill is sent to treasury in form of treasury advice along with a cheque as signed by Chairman and FO of the ULB for clearance. The treasury

officer checks the authenticity of the bill and accordingly passes the bill and resend the bill to ULB and cheque after passing the same. The cheque is then handed over to party on receipt of money receipt.

During course of Audit the ULB has prepared the Bank Reconciliation Statement for the financial year 2013-14. The ULB is maintaining 27 No Bank Accounts including treasury Accounts. The Bank Reconciliation of these accounts is furnished in **Annexure 1**. After scrutiny of BRS it was found that:

- 1) There are one bank account related to SJSRY-Revolving fund (A/c IOB-90742) un-reconciled since 2007-08 lying in BRS.
- 2) There exist some entries related to stale cheques beyond validity period.
- 3) There are inoperative Banks accounts lying in the schedule related to Cash & bank Balances.

Auditors Suggestion on BRS:

- 1) All old un-reconciled entries to be thoroughly scrutinized and if required proper adjustment to be made.
- 2) Proper adjustments to be made for stale cheques.
- 3) Efforts to be made to close down the inoperative Bank Accounts.
- 4) We are also trying to reconcile the same.

Observation on cheques & Money Receipts:

- 1) All the cheques are kept under the custody of Accountant.
- 2) All issued cheques are entered in the cheque issues register.
- 3) Money receipts are made on bills itself against which payment is made.

D2: Observation on Management on receivable (from Property Tax):

As per West Bengal Accounting Manual for ULBs Property tax and Market Rent will be collected and accounted on accrual basis and other incomes like trade license, fees and user charges will be collected and accounted on Cash Basis. Therefore any amount collected against arrear/current demand on receivable from Property Tax, Market can be considered as collection from debtors.

During the course of our Audit the Demand and Collection Register were not made available to US by ULB. All demands are being sent to Assessors from the hand books of collecting sarkars of all wards. Which means in many cases the demand notice to the property tax is not being sent to Property holders of the ULB in each year. It can be said that amount receivable from Property tax (both Current year as well as for Arrear year) as per Accounting soft ware does not show the true and fair view of receivables from Property Tax.

During course of our Audit it was also noticed no age analysis of receivable from property tax has been prepared by the ULB as per suggestion of State ULB Accounting Manual so as to identify the debtors who have not paid property tax for a long period.

However, The Arrear demand on Property tax was Rs. 24502739.52 and the current demand on property tax for the FY 2015-16 was Rs. 21505196.00. The total collection from Property tax during the FY 2015-16 was 23008027.51

ULB's replies on receivable from Property Tax:

Assessment of Property tax was first imposed in the FY 2000-01. Since then General Assessment of Property tax was pending. Assessment of property tax was again started from the FY 2013-14. The same has been effect from the FY 2015-16. The ULB is in a process to maintain the data related to property tax in computerised software from all necessary information related to Demand & Collection register will be available. It is expected that the ULB will be in a position to provide all necessary information related to demand and collection from the FY 2016-17 from the software of Property Tax.

Auditor's Suggestion on receivable from Property Tax:

In the opening database of the proposed property tax software the correct figure of all arrear property tax is to be entered. Before inserting the opening figure of arrear property tax of individual assessed an exercise is to be made to ensure the correct figure is inserted. Before inserting opening receivable from property tax age wise analysis of the receivable from property tax up to the date of insertion of opening balance in the property tax is to be done.

D3.Stores Management:

As per suggestion of Accounting Manual of ULB West Bengal ULB is maintaining the Stores valuation on FIFO basis. But no physical verification of Stores has been made by ULB in any year though it is suggested by Statutory Auditor in their report of AFS of the ULB. However the closing Balance of Stores of the ULB as 31.03.2016 is as follows:

Stores Items	Code	Opening Balance as on 01.04.15	Purchases during the period	Issued/consumption during the year	Closing Balance as on 31.03.2016
CENTRAL STORE	4301001	0	348974	348974	0
MEDICAL STORE	4301004	0			0
HEALTH STORE	4301005	0			0
STATIONARY	4301006	0	2500	2500	0
SANITARY AND	4301010	223505	1080615	930177	373943
WATER SUPPLY	4301011	9856528	14405838	14073797	10188569
ELECTRICITY	4301012	153264	6165265	5865964	452565
LOOSE TOOLS	4302001	2861	0	0	2861
Total (Rs)		10236158	22003192	21221412	11017938

Audit Observation:.

During course of our Audit it was seen that stock registers are maintained for all types stocks like, Engineering, Water supply, Electrical, Sanitary & Conservancy, Medical and health. We have checked the stores ledgers.of all high value items. It is maintained in quantity wise. It is seen that valuation of the stores not made for any items of the stores. Therefore valuations of closing stock as per stores register were not found in any stores register.

It is also seen that physical verification of the stores item is not done by the ULB.

ULB's Replies to Stores

As per explanation given to us by ULB during the course of our audit that the ULB have started a computerised system to control the Purchase, Issue and valuation of the stores on FIFO basis from September 2014.

Auditor's Suggestion for improvement of stores:

It is suggested that the valuation [in Amount (Rs.)] of the closing stock should be made at the end of each year. It is suggested that the opening quantity and valuation of the stores of all high value item for the software of stores are to be verified at earliest with the help of **stock reconciliation statement**.

The physical verification of the stores is to be made for all high value items for at least on quarterly basis. The value of the stores as per accounting software and value of stores as per software of the Stores should be tallied with each other.

D4.Audit Observation on Reconciliation of Advance for the year [2015-16] :

On verification during the course of our audit it was seen that there advance registers that has been maintained manually by ULB. We have compared total Advance as per accounting software and Total advance as per Manual Register as on 31.03.2016. The said comparison is as follows:

Particulars	For the Year 2015-16 (As per Accounting Software) [A]	For the Year 2015-16 (As per Manual Advance Register) [B]	Difference [C] =[A] –[B]
Closing Balance of Advance	99399300.00	98497799.00	901501.00

In comparing the total advance as per accounting software as on 31.03.2016 (is Rs. 98164105.00) with total advance as on 31.03.2016 the total advance as per Manual advance register (is Rs 909342984.00). There is difference of Rs.11,78,879.00 between advance as per accounting software and Advance as per manual Advance register as on 31.03.2016. We have also seen during the course of our audit that the huge amount of Advance given to various government agencies (Rs. 9.76 crores), these have been unadjusted for long period.

ULB's Replies to unadjusted Advance:

As per explanation given to us during the course our audit by ULB that series of letters has been issued to the government Agencies for the adjustment of the un adjustment of advance.

Auditor's recommendation on Loans & Advance:

The difference between total advance as per accounting software and total advance as per manual advance register Has to be reconciled. Effective steps to be taken for adjustment of advances for a long period given to Govt. agencies.

D5.Reconciliation of Investment other fund:

Particulars	For the Year 2015-16 as per Accounting software
Opening Balance of Investment	37515436.00
Add: Addition during the year Plus Interest	16424584.00
Total	53940020.00
Less: Loan given out of PF	8810125.00
Closing Balance of Investment other fund (GPF with treasury)	45129895.00

Observation on Investment other fund:

The value of Investment other fund is nothing but the value as maintained at treasury Provident fund account. In accounting software the same is shown in detail head code treasury general Provident Fund 4218005. On verification during the course of our audit the it is seen the closing balance of Treasury General Provident fund is not agreeing with the balance of Pass book of Treasury GPF. But the same has been reconciled through Bank Reconciliation statement.

It is also seen during the course of our Audit though PF have been deducted from the salaries at the time of disbursement of Salary but not deposited to treasury. In the Financial year 2015-16 the liability as un-deposited PF was Rs. 93768667.00.

ULB's reply on Investment other Fund (PF Treasury):

As per explanation of the ULB the process has been initiated to deposit the un-deposited has been initiated from the month of March 2012 and it is expected the process will be completed during the end of 2016-17

Recommendation on Investment own fund:

The reconciliation process to be completed at earliest.

Detail of Security Deposit

Particulars	For the Year 2015-16 as per Balance Sheet	For the Year 2015-16 as per Manual Register	Difference
