

OFFICE OF THE COUNCILLORS OF  
**MIDNAPUR MUNICIPALITY**  
MIDNAPUR

---

**Action Plan:**

The following steps are taken to reduce water loss

**Leak Survey:-** Technical survey has been made by the Municipalities to find out the leakage in pipe line all over the 25 wards.

**Survey on real losses:-** Technical survey has been made by the Municipalities to find out the real losses in the OHR and also from street tap.

Measures to be taken:

1. Repair the damaged pipe line
2. Bib cock on street tap to be fixed up
3. Time of the DTW will be adjusted
4. Awareness to be generated among all stakeholders.
5. Surprise visit to the pump house by the Municipal Technical Expert.
6. Ensure stoppage of overflow water from elevated reservoir by automatic valves.

**Rain water Harvesting:-** Ensure rain water harvesting on Govt Building, Private apartment, School Building etc.

Chairman  
Midnapore Municipality.
